The Professional Firefighters of Johnson County Local 4252 Golf Outing is a fundraiser for one of our primary missions, the support of charitable and worthy causes in our primary response area. The Professional Firefighters of Johnson County Local 4252 is the firefighter's union for the Greenwood and White River Township firefighters. We take our role as leaders in delivering professional emergency services very seriously. We also understand that not every need is an emergency. Our local union fills that void at times by providing manpower, supplies or financial assistance to those families and individuals that need our extra help. We support this worthy cause in numerous ways and one of our primary fundraisers is this golf outing. Please join us in having a fun filled day on the golf course that also helps your local fire departments better serve their communities.

For those businesses that wish to help us by providing door prizes, and/or advertising their business with our outing sponsorships and hole sponsorships, this flyer gives you all the tools to get you signed up. Please call one of our committee members for more information or to finalize a sponsorship opportunity.
